

With more than 15 years of experience in the art of tea, we work with tea experts around the world to invent and create unique and innovative assemblies. By combining centuries-old traditions with expertise, passion and a decidedly contemporary taste, we want to advance the world of tea and make every tea lover a true connoisseur of today.

All teas have been carefully sourced and selected by our in-house tea sommelier to ensure only the finest of teas are enjoyed by our nunshen clients. We bring these expertise to you, helping turn your tea offering into a one-of-a-kind tea experience.

INQUIRE NOW

GREEN TEA

GREEN PASSION* GREEN TEA

We infused the leaves of this tea with exotic passion fruit flowers to give this blend a pure, fresh and naturally sweet fragrance. An ideal companion, to drink during the day, and all around the world.

SENCHA LEMON* GREEN TEA

The sweet notes of lemon and the scent of fresh grass accompany with the explosive flavour of citrus fruits in one package. To finish off, a lemon zest to refresh the palate, like a large glass of lemonade during the hot summer.

SENCHA FUKUJYU* GREEN TEA - ORGANIC

This delicate blend evokes the scent of freshly cut grass or a fresh breeze that caresses your face. It will awaken your mind, in the morning or afternoon.

JASMIN* GREEN TEA

The word "jasmine" is derived from the Persian "yasameen" which means "gift of God". We have combined the subtle aromas of jasmine flowers with a Chinese tea that allows it to reveal its sweet floral aromas.

TOUAREG* GREEN TEA - ORGANIC

In the Maghreb, mint tea is the drink of hospitality. It is the Touaregs and their traditions that inspired this tea. Thanks to the benefits of fresh mint and green tea, this tea is the perfect refreshment after each of your long desert crossings.

VALLEE DUNIL* GREEN TEA

Close your eyes and let yourself be carried by the scent of jasmine flowers, delicate rose petals and a zest of bergamot bark. This delicate green tea with its aromatic and refreshing flavours can be enjoyed all day.

BLACK TEA

CHAI DUKERALA* BLACK TEA

In India, the spices that make up the chai vary from family to family. We use cinnamon, ginger and cardamom in ours. Regenerating and invigorating, this tea is to be enjoyed throughout the day, to calm and soothe your mind.

EARL GREY* BLACK TEA - ORGANIC

This aromatic infusion consists of black Ceylon tea and essential oils of bergamot bark. It took us no less than 25 tries before obtaining this recipe, yet so simple. We hope you will like it too.

ENGLISH BREAKFAST* BLACK TEA - ORGANIC

English Breakfast tea is one of the greatest classics in the world. Tart and harmonious, this great black tea will enhance your breakfast with its rich notes of caramel and cocoa. Ideal for a good start to the day, with a hint of milk or a little honey bread.

FRUITY & ROOIBOS TEA

VERGERSDES MING* FRUITY TEA

The tangy sweetness of acerola cherries, blackcurrants and raspberries is combined with fruity notes of hibiscus, rosehip bark and elderberry in a refreshing and naturally caffeine-free infusion that will awaken your senses throughout the day.

PEACH ROOIBOS* ROOIBOSTEA

Light, fragrant and elegant, this tea combines the flavour of peach flowers with the sweetness of ripe fruit. Naturally caffeine free, this tea is perfect for young or old to drink before a nap in the shade of a peach blossom tree on a beautiful summer afternoon.

INFUSIONS

LA VERVEINE* INFUSION - ORGANIC

Relaxing and refreshing, this infusion is a bit like a post-meal mint. Whether you spent the day in the waves or not, let this simple, aromatic infusion calm your day's stress, relax your body and escape your world.

LA CAMOMILLE* INFUSION

The buds of chamomile flowers are used to prepare this infusion. In the sunny fields of Croatia, we know it for being the place in the world where we find one of the best chamomiles. We added fragrant lemongrass to give it a fresh lemon touch. The infusion calms and relaxes your mind, while delicious to taste.
